RESTRICTION COMMITTEE

All architecture, plans and buildings in the subdivision shall comply with all applicable laws and building codes as well as with general and special restrictions herein, and any variances therefrom shall be subject to the approval of the restriction committee, the original committee to consist of nominees of Fairco, Inc.

The restriction committee retains the right in furtherance of a uniform plan for the development of Fair Oaks Ranch Bexar County Unit 1, Bexar County, Texas, as a high-class residential subdivision, but subject to the limitations hereinafter recited, to execute amendments to, including granting variances from and on, the aforerecited restrictive covenants and use limitations on such subdivision, provided they, in the exercise of their best judgment and discretion, are of the opinion that any such amendments or variances would be in furtherance of the uniform plan for the development of such subdivision. Such restriction committee shall also perform all of the other duties and obligations imposed upon them under the provisions hereof. On or before July 1, 1983, the undersigned will appoint five property owners in such subdivision to serve as the restriction committee for such subdivision from and after such date by instrument recorded in the Deed Records of Bexar County, Texas, and such restriction committee as so appointed will thereafter serve as the restriction committee for such subdivision until their successors are duly elected as hereinafter provided for. Notwithstanding the foregoing, however, it is expressly understood that any time after July 1, 1983, the then owners of a majority of the lots in such subdivision, with any husband and wife being considered as one owner, may by instrument in writing filed in the Deed Records of Bexar County, Texas, elect a five member restrictions committee for such subdivision and any committee so appointed shall thereafter be vested with all of the duties, powers, discretions and prerogatives of the original restriction committee herein provided for. The restriction committee may by letter delivered to the party involved grant variances from any one or more of the above recited limitations and restrictions insofar, and only insofar, as they pertain to individual lots in such subdivision. Any amendments to or variances from such limitations and restrictions made or granted by said committee pertaining to all of the lots in such subdivision may be made only by appropriate written instrument filed in the Deed Records of Bexar County, Texas. In connection with the foregoing, however, it is accordingly here provided that said committee shall have no power or authority to grant variances from or amendments to such limitations and restrictions which would permit the use of any lot in such subdivision for commercial purposes, except for a temporary sales office used for original sales of lots by Fairco, Inc., or its authorized agent.

DURATION AND AMENDMENT

The covenants, conditions and restrictions of this declaration shall run with and bind the land, and shall inure to the benefit of and be enforceable by the restriction committee or the owner of any lots subject to the restrictions in this declaration, and their respective legal representatives, heirs, successors and assigns. It is further expressly understood that the undersigned, the restrictions committee, or any one or more of the owners of properties in said subdivision shall have the right to enforce the restrictive covenants and use limitations

It is further expressly understood that the undersigned shall continue to have the right to enforce such restrictive covenants and use limitations after all property has been sold by them but shall have no obligation to do so. It is understood that all expenses, attorneys fees and court costs incurred in connection with the enforcement of such restrictive covenants and use limitations shall be borne by the party or parties seeking to enforce the same; and that the undersigned or the restrictions committee shall have no obligation to bear such expense, although they may contribute such expense if they so desire.

lwa 7687 rec 614

The covenants, conditions and restrictions herein shall be effective for a term of thirty years from the date this declaration is recorded, after which time said covenants, conditions and restrictions shall be automatically extended for successive periods of ten years unless by a vote of three-fourths of the owners of lots in such subdivision with each husband and wife being considered as one owner and with each lot in such subdivision having one vote, taken prior to expiration of said thirty year period or of any current extended period, and filed for record in the Deed Records of Bexar County, Texas, it is agreed that these restrictive covenants and use limitations shall terminate as to said subdivision at the end of such thirty
